

## Elder Interview Questions: Climate Change

Hello and welcome. I am \_\_\_\_\_, a Local Education Coordinator with the Chugachmiut Heritage Program. Today is \_\_\_\_\_  
And we've invited \_\_\_\_\_ to contribute to the cache of Elder interviews we're collecting for the Heritage Kit "Climate Change." This interview will be recorded using an Apple iPad Air 2 and a Zoom H4n audio recorder recording at 48 Ghz/16Bit.

Could you please introduce yourself?

*I'm \_\_\_\_\_ and I was born in 19\_\_\_\_  
in\_\_\_\_\_. My father was \_\_\_\_\_ and my mother  
was\_\_\_\_\_.*

In the development of the heritage kit "Climate Change," it is important to hear what changes the Elders have seen in the environment, animal behavior, food sources and weather.

1. What does climate change mean to you?
2. What kind of changes have you seen?
  - a. Seasons?
  - b. Food sources?
  - c. Animals?
3. Do you remember your Elders talking about these changes?
4. What might we understand from the past?
5. What changes do you worry about, for yourself or the future generations?
6. How important is this resource for future generations?
7. What do you think we can do to successfully adapt to these changes?
